This 2022 Ford EcoSport ST Line boasts incredibly low mileage, having covered just 3694 miles, making it an exceptional find for its age. This one owner vehicle is powered by an efficient 1.0 litre petrol engine, meeting Euro 6 emissions standards. The ST Line trim level ensures a sporty and stylish appearance, reflecting its dynamic design. With an impressive fuel economy of 46 miles per gallon, this EcoSport offers excellent value for money, indicating it is more economical than many similar vehicles. Its low CO2 emissions further contribute to its appeal, suggesting a more environmentally conscious choice. This combination of low mileage, excellent fuel efficiency, and a desirable ST Line specification makes this Ford EcoSport a standout option.
